Hello Car Guys and Gals;

The Cruiser made my first trip to OBI on Sunday and was amazed to see how this venue has grown since it was started by a couple of corvette guys from the Vette Doctors and the Corvette Society, way back when. A big **LIV shout out** to some long time OBI Cruisers like Bob, Ed, Nick, Steve and Tom. In addition to the many beautiful Corvettes, the Cruiser spotted a ton of other sweet rides as well. **Kudos** to the owners of the white MG, powered by Corvette, and the black & white 2 door, 3 speed Chevy that's still powered by a GM six banger. It was nice seeing a car in that condition that didn't have a big block under the hood.

**LOOK OUT**, the Cruiser spotted two Town Of Babylon, 5-0's giving tickets to everyone parked along the guard rail in front of the OBI lot. Regulars told the Cruiser this has been happening for a couple of weeks, always around 9:30, so if you hit the OBI, Cruiser suggests you check the No Parking Signs. It seems that the T.O.B is still being a big pia to us Sunday morning cruisers, first they kept the gates locked, then they ran Artie, the coffee truck guy, off. Considering how this lot was purchased with mostly county, state and federal money the Babylon politico's need to understand that cruiser are tax payers too. Maybe, RWM was right.... Save the OBI.

On the way back from the beach the Cruiser stopped by Bob's Stores and met up with a small but dedicated group hanging by the McDonald's. Long time cruiser, Ed was there with his sweet red GT 40. How does he get in that thing ??? We also spied a cherry looking old Florida State Trooper Mustang. Gave the Cruiser *chills* remembering jaunts on I-95 when he hung with the guys from Ecklers. So if the OBI is packed or the 5-0's are lined bumper to bumper on the RM you may want to give Bob's a try.

This week looks pretty busy, so maybe the Cruiser will catch you hanging out too. Remember what the Cruiser always says;

**Have Fun, Cruise Safe and “LIV the Dream”**
