

# Long Island Vettes Weekly Outlook

September 17, 2010

## **Hello Car Guys and Gals;**

Welcome to the latest edition of the LIV Outlook. This past week the Cruiser saw lighter than usual crowds at all the weeknight events due to earlier sunsets. So the Cruiser suggests you get there early and enjoy the last remaining days of this year's cruise season. Daylight savings time doesn't change until November 7<sup>th</sup>, so hopefully many of the cruise nights will remain active until then.

On Sunday, the Cruiser stopped by the "Cruzin for a Cure" show in Melville. Despite the poor weather, this as usual was a great show and hopefully raised everyone's awareness of Prostrate Cancer. The Cruiser also managed to hit the Moose Club Car Show in Riverhead as was pleased to see the famous 1909 Alco 6 Black Beast racer. A big LIV Shout Out to Charlie Cali and the LI Moose Classic Car Club for a great event. For those of you that may not know, the Black Beast is a historic racer that ran in many of the historic Vanderbilt Cup Races. Cruiser suggest that you find out just how influential the Vanderbilt Cup Races were to the history and development of Long Island.

For those of you that are into track events, on Saturday and Sunday Jim and the crew from LICOA and EMRA will be running at NJ Motorsports. Also this weekend you can sit back and watch the action from Mecum's St. Charles Auto Auction on HD TV.

A friend informed the Cruiser that both "Corvette Repair" and "Benchmark Restorations" will be displaying Corvettes at the upcoming "Vettes at the Vanderbilt" Corvette Show on Sunday, October 3<sup>rd</sup>. In the past, both Chris Tucci and Kevin McKay have thrilled Vanderbilt crowds with rare and historic cars and the Cruiser is looking forward to see what surprises they have in store for us this year.

As always the Cruiser will be on the prowl and maybe I'll catch you hanging out too. So remember what the Cruiser always says;

**Have Fun, Cruise Safe and "LIV the Dream"**
