

Long Island Vettes Weekly Outlook

October 1, 2010

Hello Car Guys and Gals;

Welcome to the latest edition of the LIV Outlook. Let me begin with a big LIV Shout Out to Richard and Danny for sending the Cruiser some new info on upcoming events.

On Sunday the Cruiser hit LICOA's VA Show at the Veterans Hospital in Northport. Even though the weather wasn't perfect the crowd and the event were spectacular. Kudos to Dennis, Monique, Jim and the crew from LICOA for another great show. As expected the corvettes were out in force, but there was also some great Camaro's, Mustangs and even a sweet Rat Rod that was of great interest for most of the veterans. Monique did a great job of feeding everyone and the Cruiser was impressed with the huge amount of raffle prizes and awards. Sunday's OBI cruise in was a little lighter than normal but was still going strong.

As we noted last week, this years show season is coming to a close. Thursday was the last night for the Glen Cove Fire Dept and the Cradle of Aviation cruise nights.. On October 11th the LI State Park Commission will stop charging admission at Captree so the Sunday crew should be switching from OBI to Captree on October 17th. For you hard core cruisers, next weeks LIV Outlook will have information on Kerbeck's annual Toys for Tots event and some new information about a Wounded Warriors event at the Walter Reed Army Hospital in DC.

On Sunday, October 3rd, the Cruiser will definitely be at Long Island Vettes 7th Annual **Vettes at the Vanderbilt** show. This is always a great event that the Cruiser has never missed. Not only is the Vanderbilt Museum a beautiful location but the crew at LIV informed the Cruiser that as always they will be having both a formal Judged Car Show as well as an informal Entrant's Choice Show. In addition, Benchmark Restoration and Corvette Repair will once again be displaying and presenting two rare and unique Corvettes. LIV also has invited two additional special guests; Julius Freeman, one of the last surviving Tuskegee Airman, and John Cerrito from Mighty Midgets. John builds 1/2 scale working sport cars. Hopefully he will be bringing a 1956 Vette. So if you haven't made your plans yet, check out **Vettes at the Vanderbilt** by going to www.longislandvettes.org or call 516-413-8517

As always the Cruiser will be on the prowl and hopefully I will catch you this Sunday.

Have Fun, Cruise Safe and “LIV the Dream”
