

Long Island Vettes Weekly Outlook

October 8, 2010

Hello Car Guys and Gals;

Welcome to the latest edition of the LIV Outlook. On Sunday the Cruiser hit Long Island Vettes “Vettes at the Vanderbilt – Corvette Show” at the beautiful Vanderbilt Mansion & Museum in Centerport. Once again Mother Nature wasn't kind to us cruisers. But even with her cool temps, overcast skies and gusty breezes, Lou, John and the entire LIV crew put on a great event. The Cruiser was pleased to see a large number of non vette cruisers that showed up just to view the sweet Corvettes on display. Kudos to Phil for displaying his beautiful Motion Corvette that was perfectly restored by Kevin and the crew from Corvette Repair. And to John Cerrito from Mighty Midgets for his sweet 1/2 scale 1956 Corvette. And last but not least to Chris and the crew from Benchmark Restoration for a beautiful 1967 Corvette.

On Saturday October 9th the Cruiser will visit with Johnny O'Connell legendary Corvette Racer, at Kerbecks Annual Toys for Tots event in Atlantic City, NJ. Dave and the crew from Kerbeck has informed the Cruiser that they expect over 800 cars this year. If you never had the opportunity to attend this event, the Cruiser urges you to give it a try. For more information check out www.kerbeck.com

As always the Cruiser will be on the prowl and hopefully I will catch you next week.
