

Long Island Vettes Weekly Outlook

October 22, 2010

Hello Car Guys and Gals;

Welcome to the latest edition of the LIV Outlook. On Saturday the Cruiser hit the Long Island Car Show and found the show to be just a little better than usual. What was cool, was the GM Experience the Drive event which was free for all adult drivers. The Cruiser was able to check out the Camaro, and the Tahoe Hybrid. The Camaro was a sweet ride but the visibility reminded me of my old 63 split window. Considering it was a hybrid the Cruiser was surprised at the performance of the Tahoe. Could there be a Vette hybrid down the road? Scary.....

This Sunday the Cruiser will be hitting LICOA's Atlantic Chevrolet/Cadillac Corvette Show. LICOA always does a great job with this event and considering it is the last Corvette show of the season should be well attended. And remember to mark you calendar for the upcoming Wounded Warriors Fund Raiser on November 7th which is being sponsored by Long Island Vettes and NCRS. The Cruiser was advised that because of construction on the LIE the crew at Long Island Vettes is exploring alternative cruise routes. The cruise will begin at the LIE rest area, just east of exit 51 Deer Park Ave, and end at Laurel Lake Vineyards.

As always the Cruiser will be on the prowl and hopefully I will catch you next week. So

Have Fun, Cruise Safe and “LIV the Dream”
