

Long Island Vettes Weekly Outlook

October 29, 2010

Hello Car Guys and Gals;

Welcome to the latest edition of the LIV Outlook. Sunday was a perfect day for a cruise to the Captree Boat Basin and the Cruiser found a better than expected crowd. If you've never experienced the off season Sunday beach scene, the Cruiser strongly suggests you give it a try. Even on bad weather days you will usually find a few die-hards in the lot. And on days when the weather is great, look out, the place could be packed.

After a short stay at the beach the Cruiser stopped by LICOA's Atlantic Chevrolet/Cadillac Corvette Show and as expected found a great crowd and a great show. Secretly Joe B. had shared with the Cruiser his concerns about the weather for a show this late in the season, but thankfully Mother Nature was kind. KUDOS to Joe, Dennis and the entire LICOA team for another great event.

And last but not least, the Cruiser also managed to stop by the Monster Mash Car Show at Bald Hill. The place was packed. Vendors, Cars, Crowds, Prizes they had it all and the Cruiser was especially pleased to see a large number of families with the next generation of cruisers in tow. We all know this is a great hobby and it is important that we pass the love of cars on to our children and hopefully their children as well.

Remember to mark you calendar for next Sundays Wounded Warriors Fund Raiser which is being sponsored by Long Island Vettes and the NCRS. This is a rain or shine event and is open to all cars. Participants can either go directly to Laurel Lake Vineyards at 3165 Main Rd (Rt. 25) in Laurel, NY. Or they can join a cruise to there that will begin at the Eastbound LIE rest area, just east of exit 51 Deer Park Ave, around 11:00 a.m. The Cruiser was advised that in order to avoid the LIE construction mess the cruise will head out east taking a southern route to Laurel Lake Vineyards.

As always the Cruiser will be on the prowl and hopefully I will catch you next week. So
